

TAMARAMA S.L.S.C

# HELP

**Tamarama Surf Club desperately needs your support.**

For over 100 years our volunteers have patrolled at Tamarama - the most dangerous beach in NSW. We have rescued many hundreds of people and proudly report “no lives lost”.

Our clubhouse is falling apart and badly in need of refurbishment. We are lobbying government to provide funds, but to achieve this we need your help.

Whether you're local or a visitor, please be our friend. By doing so you will help us gather strength in numbers and convince the government to support our lifesaving activities.

Please sign-up by providing your email address at:
